F0305 Free Speech and Public Assembly Policy

Western Technical College (Western) recognizes and affirms the First Amendment rights to freedom of speech, expression, and assembly. As a public institution, Western is committed to maintaining a campus environment that promotes academic and intellectual inquiry while ensuring the orderly operation of the College.

To promote alignment of the College's educational mission with these constitutional rights, Western has adopted a reasonable, content-neutral procedure to regulate the time, place, and manner of expressive activities and public assemblies on College property. Neither this policy nor its procedure restricts academic or student-led discussions conducted in accordance with established College processes.

This policy and procedure applies to employees, students, and members of the public and is subject to all other Western Technical College policies and procedures, as applicable.

Adopted XXXX XX, 2026

Reference Procedure: F0305p Free Speech and Public Assembly Procedure

F0305 Free Speech and Public Assembly Procedure

The purpose of this procedure is to ensure that all students, faculty, staff, and visitors are entitled to their rights and access to constitutionally protected speech.

I. Definitions

For purposes of this procedure, the terms below are defined as follows:

- *Campus* – All property and facilities owned, leased, or controlled by Western Technical College.
- *Student* – Any individual currently enrolled in Western courses or programs.
- *Employee* – Any person currently employed by Western.
- *Assembly* – A gathering of individuals for the purpose of expressing, promoting, pursuing, or defending ideas.
- *Expressive Activity* – Includes demonstrations, picketing, rallies, performances, and similar actions. Does not include casual conversations or social interactions.
- *Public Assembly Area(s)* – Designated indoor and outdoor locations available for expressive activity and public assembly.
- *Fighting Words* – Personally abusive or insulting language likely to provoke a violent reaction from an ordinary listener.

- *True Threats* – Serious expressions of intent to commit acts of violence against specific individuals or groups.

II. Public Assembly Areas

1. Western designates the following **Outdoor Public Assembly Areas** on the La Crosse campus:
 - Public walkways along roads adjoining College premises. Public walkways may be recognized as traditional public forums. Assembly on public walkways, however, may not disrupt or interfere with College operations, the orderly entrance or exit of persons from College buildings, or the safe and efficient movement of persons on or off College premises.
 - Residence Hall lawn at the La Crosse Campus's North Entrance (located southeast of the intersection of La Crosse Street and 8th Street North)
 - Garden areas on the east and west sides of the Kumm Center
 - Park/vacant lot directly south of Parking Lot K
 - Grass area on the south side of the parking ramp
2. Western designates the following **Indoor Public Assembly Area** on the La Crosse campus:
 - Indoor public assembly may not disrupt or interfere with College operations, the orderly entrance or exit of persons from College buildings, or the safe and efficient movement of persons on or off College premises.
 - Kumm Center Union Market Stage Area (located on the east side of Western's Kumm Center, directly across from the Student Life Office on the first floor of the facility)
3. **Additional sites** at Western's regional locations, Black River Falls, Independence, Mauston, Tomah, and Viroqua, and the Public Safety Training Facility in Sparta may be available upon request and are subject to availability and approval.

III. Usage Guidelines

1. **Outdoor Public Assembly Areas** are available for use between 8:00 am and 9:00 pm, Monday through Saturday. The **Indoor Public Assembly Area** is available for use during regular hours of operation. Requests for use must be made in advance by contacting the Campus Community Safety Office, safety@westernnc.edu or call 608-785-9191. Approval will be subject to space availability, noise, and safety considerations.
2. Non-students and non-employees must submit a request to use either an Outdoor or Indoor Public Assembly Area at least 24 hours in advance by contacting the Campus Community Safety Office, safety@westernnc.edu or call 608-785-9191.
3. Priority will be given to individuals or groups who have reserved space in advance.

4. Groups or individuals may be asked to relocate or reschedule activities to ensure minimal disruption to the College's mission or operations.

III. Prohibited Behaviors

The following restrictions apply to the use of any Public Assembly Area by any individuals or groups:

- Do not block pedestrian walkways, building entrances, or roadways.
- Do not climb on, stand upon, or otherwise use campus structures such as buildings, sculptures, monuments, railings, light poles, benches, planters, or other fixtures in a manner that could reasonably endanger the users' safety or the safety of others.
- Do not interfere with classes, College events, or administrative operations.
- Do not use amplified sound unless it is directed only to the immediate area and does not disrupt College functions.
- Do not engage in unlawful behavior, Fighting Words, True Threats, harassment, or damage to property.
- All users must leave the area clean and in good condition. Costs for cleanup or repairs may be assessed to the responsible party(ies).

IV. Enforcement

Failure to comply with this procedure may result in the revocation of access to College property and may result in referral to local law enforcement. In addition, the College reserves the right to limit access based on past violations or credible threats to campus safety.

WESTERN TECHNICAL COLLEGE DISTRICT

ISSUE PAPER

Topic: Adoption of the Amended 2026 Capital Borrowing Plan

Issue: The District Board approved the 2026 capital borrowing plan at their December 16, 2025, meeting. Since that meeting, the college received bids on the capital project for the Residence Hall that is scheduled to take place during the summer of 2026. Those bids came in approximately \$580,000 higher than what was included in the approved capital borrowing plan.

The college will be value engineering to reduce the cost by \$50,000. Capital fund reserves of \$270,000 will be used to cover part of the overage. The college recommends adding the remaining \$260,000 to the 2026 capital plan to complete the project.

Recommendation: Adopt the amended 2026 Capital Borrowing Plan as presented.
