American Heart Association

BLS Provider Blended Course – 4 hours - \$43.93*

max enrollment = 16 students unless otherwise noted

Blended learning is a combination of eLearning in which a student completes part of the course online in a self-directed manner, followed by a hands-on skills session. After completing the eLearning portion, students will attend a structured Instructor-led course with an AHA BLS Instructor that focuses on skills practice, discussions, and skills testing.

This course requires you to

- Purchase the AHA approved Heartcode BLS course (<https://elearning.heart.org/courses>)
- Complete the online portion. <https://elearning.heart.org/>
- Bring completion certificate to your class (you will not be able to test out if you do not have your completion certificate)
- Complete the online portion within 30 days of registering for this course.
