## Automotive Program

BLACK RIVER FALLS, WI

INTERESTED IN AN AUTOMOTIVE CAREER? CHECK OUT THE OPPORTUNITY TO EARN COLLEGE CREDIT THROUGH HANDS ON EXPERIENCE AT SLEEPY HOLLOW!

### About

Gross Automotive, in partnership with CESA #4, Western Technical College and the Wisconsin Auto & Truck Dealers Association offer an Automotive Program to earn college credits while in high school! Junior & Senior students gain academic & technical knowledge in the automotive technician career area.

### Who Can Apply

Currently the program is available to students from Black River Falls, Blair Taylor, Melrose Mindoro, and Alma Center!

### How to Apply

Ask your high school counselor, Technology Education teacher or Amanda Langrehr for the [application link](#). Applications must be submitted by March 20, 2026.

A maximum of 12 students will be accepted for the course which runs Wednesday nights through the school year. Applications are reviewed by the team and selections are based on future career plans, counselor recommendations, and responses to application questions.

### 2026 Class Visits
