

# HEALTH SCIENCE & PRE-NURSING ACADEMY

## SPRING TERM—MAUSTON LOCATION

This academy is ideal for focused, goal-driven juniors and seniors exploring careers in health sciences or nursing. Students can save nearly a semester of time in earning an associate degree. The 2025-2026 academy will be held at the Mauston RLC.

### COURSES OFFERED

Term	Course	Credits
Spring S1	Developmental Psychology	3
Spring S2	Certified Nursing Assistant	2
Spring	General Anatomy and Physiology	4
	<b>Total Credits</b>	<b>9</b>

### COURSES DESCRIPTIONS

**Developmental Psychology:** Study of human development throughout the lifespan, focusing on biological, cognitive, and psychosocial changes.

**General Anatomy and Physiology:** Covers basic anatomy and physiology concepts for health sciences, emphasizing structure-function relationships.

**Certified Nursing Assistant:** Prepares students for employment as nursing assistants, including skills training and eligibility for the Wisconsin Nurse Aide Registry.

### For More Information

Contact your high school counselor, your Western Technical College High School Admissions Coach, or the K12 Partnerships Department.
